

Sex Therapy

Robin Thicke

Whoa (4X) Stressed out, uptight, over worked wow
Unleash what you got let's explore your naughty side
Follow me, where we're going we don't need no bread crumbs

Cant you see, baby

You're the only one

You are among the

Few (hard woman)?

Let me be your medicine.

Cuz I got one thing on my mind, I'll be your valentine

Spread your wings and baby fly away (Chorus)

It's your body, we can love it you want to

Love if you want to, scream if you want to

Just let me love you lay right here, girl don't be scared of me

Give you sex therapy

Give you sex therapy

It's your body, we'll go hard if you want to

As hard as you want to, soft as you want to

Just let me love you lay right here, I'll be your fantasy

Give you sex therapy

Give you sex therapy Whoa (4X) Baby let's settle for you to ????

Just let your baby be

I'll lick you down, make you feel like you got a body

Ha Ha Ha Ha Ha the doctor's here four you

Take you like Twilight, I thought you never

You don't have your say anything

I'll get you wet, yea

Push you up against the wall

Turn you out and turn you on

Yea, yea, whoa
