What Would I Do Without You

Drew Holcomb

Sometimes I wake up with the sadness
Other days it feels like madness
Ohâ€¦what would I do without you?

When colours turn to shades of grey
With the weight of the world at the end of the day
Ohâ€¦what would I do without you?

A decade goes by without a warning
And thereâ€™s still a kindness in your eyes
Amidst the questions and the worries
A peace of mind, always takes me by surprise.

I feel like Iâ€™m walking with eyes as blind
As a man without a lantern in a coal mine
Ohâ€¦what would I do without you?

My imagination gets the best of me
And Iâ€™m trying to hide lost at sea
Ohâ€¦what would I do without you?

The difference between what I've said and done
And youâ€™re still standing by my side
A guilty soul and a worried mind
I will never make it, if Iâ€™m on my own

So youâ€™ve got the morning, Iâ€™ve got midnight
You are patient, Iâ€™m always on time
Ohâ€¦what would I do without you?

Youâ€™ve got your sunshine, Iâ€™ve got rainclouds
Youâ€™ve got hope, Iâ€™ve got my doubts

Ohâ€¦what would I do without you?
Ohâ€¦what would I do without you?
Ohâ€¦what would I do without you?
