

# What Would I Do Without You

Drew Holcomb

Sometimes I wake up with the sadness  
Other days it feels like madness  
Ohâ€¦what would I do without you?

When colours turn to shades of grey  
With the weight of the world at the end of the day  
Ohâ€¦what would I do without you?

A decade goes by without a warning  
And thereâ€™s still a kindness in your eyes  
Amidst the questions and the worries  
A peace of mind, always takes me by surprise.

I feel like Iâ€™m walking with eyes as blind  
As a man without a lantern in a coal mine  
Ohâ€¦what would I do without you?

My imagination gets the best of me  
And Iâ€™m trying to hide lost at sea  
Ohâ€¦what would I do without you?

The difference between what I've said and done  
And youâ€™re still standing by my side  
A guilty soul and a worried mind  
I will never make it, if Iâ€™m on my own

So youâ€™ve got the morning, Iâ€™ve got midnight  
You are patient, Iâ€™m always on time  
Ohâ€¦what would I do without you?

Youâ€™ve got your sunshine, Iâ€™ve got rainclouds  
Youâ€™ve got hope, Iâ€™ve got my doubts

Ohâ€¦what would I do without you?  
Ohâ€¦what would I do without you?  
Ohâ€¦what would I do without you?
