

Wannabe in LA

Eagles of Death Metal

I came to L.A. to make rock 'n' roll
Along the way, I had to sell my soul
I made some good friends that make me say
I really wannabe in L.A. I took the 10 to get to Beverly
Laid some rock to tape roll at 11AD
Alain and Natasha always make me say
I really wannabe in L.A. I really wannabe in L.A., ohh
I really wannabe in L.A., ohh
I really wannabe in L.A., ohh I take the city in the dead of night
I'm burning gas until I feel alright
My Sunset honeys always make me say
I really wannabe in L.A. I came to L.A. to make rock 'n' roll
Along the way I had to sell my soul
I made some good friends that make me say
I really wannabe in L.A., I really wannabe in L.A.
I really wannabe, really wannabe
Really wannabe, really wannabe in L.A.
