Love R.i.p

Blue

Oh, love r.i.p
If you say that you're not serious
Walk away and just forget about us
Hey baby, I'm not gonna take it this time, oh no
If you say that you're no good for me
You see no future in this unity
Hey baby, I'm not gonna take it this time, oh no
Yeah, yeah
I won't say stop because you ask me to
Don't leave our love behind (behind)
Honey won't you tell me (tell me)
Tell me (yeah)
Why you're messing with my mind
Chorus
'Cos you don't care nothing about the things I do
You don't care nothing about the pain you put me through
Show your feelings for me

'Cos you don't care nothing about the things I say
'Cos you don't care nothing about the way I feel today
I won't let love r.i.p
I won't take away your hurt in me
You gotta treat me with some dignity
Hey baby, I'm not gonna take it this time, oh no (oh no, oh no)
'Cos I'm much stronger then you think you know
Won't play your game this way (this way)
Honey, won't you tell me, tell me (oh)
Just what you're trying to say
Chorus
Oh, ah love r.i.p
If you say that you're not serious (yeah, yeah)
Walk away and just forget about us
Hey baby, I'm not gonna take it this time (not gonna leave our love behind, behind)
Chorus x2
