Fuckin' posers  
It's almost over now  
It's almost over nowfor ya fuckin posers  
yeah  
its almost over now  
almost over nowYou think the way you lives okay  
You think posing  
Will save the day  
You think we don't see  
That you're running  
Better call your boys  
'Cause I'm coming[Chorus]You can't be me  
I'm a Rock Star  
I'm rhyming on the top of a cop car  
I'm a rebel and my .44 pops farIt's almost over now  
It's almost over nowguess  
You ain't heard that we swallow guys  
It's too damn late to apologize  
Will you see the mantle or will you see the skiesIt's almost over now  
It's almost over nowYou think that you don't have to ever quit  
You think that you can get away with itYou think the light won't be ever litIt's almost over now  
Almost over nowSomething's on your chest  
Better get it off  
There'll be no one left when we set it off  
We ain't gonna take it no more  
SinceIt's almost over now  
Almost over nowYou had plenty of time  
There was no rush  
But it was your dream to be like us  
You're in dreamland so you don't care  
And as you wait(im standing there,im standing there mother fucker)  
we're standing thereYou can't be me  
I'm a Rock Star  
I'm rhyming on the top of a cop car  
I'm a rebel and my .44 pops farIt's almost over now

It's almost over now i guess  
You ain't heard that we swallow guys  
It's too damn late to apologize  
Will you see the mantle or will you see the skies It's almost over now  
It's almost over now You think that you don't have to ever quit  
You think that you can get away with it You think the light won't be ever lit It's almost over now  
Almost over now Something's on your chest  
Better get it off  
There'll be no one left when we set it off  
We ain't gonna take it no more  
Since It's almost over now  
Almost over now You don't succeed cause you hesitate  
You think we're fly  
But we levitate  
Just be yourself  
Don't ask us why  
'Cause if you don't we'll make you fly You can't be me  
I'm a Rock Star  
I'm rhyming on the top of a cop car  
I'm a rebel and my .44 pops far It's almost over now  
It's almost over now i guess  
You ain't heard that we swallow guys  
It's too damn late to apologize
