

# Love Me In The Hood (Dirty)

[Lloyd Banks](#)

Yeah, its banks nigga, southside up, they love me in the hood  
Calls that my mans died, oh thats a damn lie,  
boy you smokin dust I got these niggas by a landslide  
Ughh, I got the niggas by a rocket ship  
I hit the after burner and I aint tell ya how I drop a bitch  
Im so far ahead im already dead  
Gettin at you from they future  
Thats why im used to what u said, woooh  
Wait until you see the new superhead  
She got the turbo wop
