She said, "I think I'm gonna be sad, I think it's today, yeah"
The girl that's driving me mad is going away, she isShe's got a ticket to ride
She's got a ticket to ride
She's got a ticket to ride
She don't careShe says that living with me is bringing her down, yeah
She would never be free when I was around, she ain'tShe's got a ticket to ride
She's got a ticket to ride
She's got a ticket to ride
She don't careDon't know why she's riding so high
Ought think twice, ought to do right by me baby
Before she gets to saying goodbye
Ought think twice, she ought to do right by me, yeahShe said I'm gonna be sad, I think it's today, yeah
The girl that's driving me mad she's going away, ohShe's got a ticket to ride
She's got a ticket to ride
She's got a ticket to ride
She don't careDon't know why she's riding so high
She gotta think twice, she ought do right by me when she gets home
Before she gets to saying goodbye
She ought think twice, she ought do right by meShe say-a that living with me has brought her down, yeah
She said, she would never be free when I was here around, hey heyShe's got a ticket to ride
She's got a ticket to ride
She's got a ticket to ride
She don't careMy baby don't care
My baby don't care
