Black Heart Inertia

Incubus

Walking alone tonight 'cause I've only got room for two
Me and my burdened black heart, it's all we know how to do
Yet I look for a bigger bang than the kind I continually see
Sick of all this inertia I want you to mend me

Lover, can you help me?

I'm a child lost in the woods

A black heart pollutes me and I think

You're a mountain that I'd like to climb

Not to conquer but to share in the view

Pulled by a false inertia, pushed out by circumstance

Pistol firing at my feet that's coercing me to dance

Yet I look for a bigger bang than the kind I'm sorry to know

Here I am first foot of the climb, watch me go

Lover, can you help me?

I'm a child lost in the woods

A lit path eludes me and I think

You're a mountain that I'd like to climb

Not to conquer but to share in the view

You're a bonfire and I'm gathered 'round you

Set this old black heart inertia aflame

Send it away, send it away

You're a mountain that I'd like to climb

Not to conquer but to share in the view

You're a bonfire and I'm gathered 'round you

Set this old black heart inertia aflame

Set it aflame, send it away
