

Waiting So Long

Supertramp

Did you get all you want?
Did you see the whole show?
So where's all the fun
That we used to know?
As the memories fade
Way out of view
I'd love those old days
To come back to you I've been waiting so long
I'm not feeling so strong Did you say what you mean?
Did you mean what you say?
About this new scene
Is it really that way?
But the blindness goes on
You say it's not so
But what do you know? I've been waiting so long
I'm not feeling so strong Ain't nothing new, it's just the same old thing
You got me singing those old blues again Angry music, words of fire
Painted faces filled with rage
Even then they sound so tired
I must be set in my old ways If this world is unimpressive
It's been that way for quite awhile
I don't need no heavy message
Just turn me on and make me smile Yes I've been waiting such a long time
Just for something to ring true
Now I'd rather taste the old wine
Than mess around with something new And the blindness goes on
The blindness goes on Don't leave me now Don't leave me now
Leave me out in the pouring rain
With my back against the wall
Don't leave me now
Don't leave me now
Leave me out with nowhere to go
And the shadows start to fall
Don't leave me now
Don't leave me now
Leave me out on this lonely road
As the wind begins to howl
Don't leave me now
Don't leave me now

All alone on this darkest night
Feeling old and cold and grey
Don't leave me now Don't leave me now
Leave me holding an empty heart
As the curtain starts to fall
Don't leave me now
Don't leave me now
All alone in this crazy world
When I'm old and cold and grey and time is gone.
