Hollowsphere

[Your destiny is written in a pitchblack hole][Lyrics: M. Schulman]Dive into the world of pain
A rising dominion completely insaneA pitch-black hole, a deadly darkened tomb
A place where the shadows never will dwell
Secrets are hidden deep within the walls
The mystery will be immortal as the silent nightmare recallHollowsphere - dive into the world of pain
Hollowsphere - fade away and decay in vainFalling down, falling into the abyss
Crawling among the purulent ones
Your destiny is here real and true
Your hidden inner fears are slowly coming throughHollowsphere - dive into the world of pain
Hollowsphere - fade away and decay in vainRound and round in circles
Catch the moment inside
Step into Armageddon
Where the light never will shineAs the sun no longer rises
Reality will turn to dust
As the stones have become powder
The forsaken ones are reborn with lustA pitch-black hole, a deadly darkened tomb
A place where the shadows never will dwell
Secrets are hidden deep within the walls
The mystery will be immortal as the silent nightmare recallHollowsphere - dive into the world of pain
Hollowsphere - fade away and decay in vain
Hollowsphere - dive into the world of pain
Hollowsphere - a rising dominion completely insane
