Broken

12 Stones

Alone again, again alone
Patiently waiting by the phone
Hoping that you will call me home
The pain inside my love denied
Hopes and dreams swallowed by pride
Everything I need, it lies in you
'Cause I'm broken, I know, I need you now
Deep inside, I'm broken, you see the way I live
I know, I know, your heart is broken when I turn away
I need to be broken, take the pain away
I question why you chose to die
When you knew your truth I would deny
You look at me, the tears begin to fall
And all in all faith is blind
But I fail time after time

Daily in my sin I take your life
'Cause I'm broken, I know, I need you now
Deep inside, I'm broken, you see the way I live
I know, I know, your heart is broken when I turn away
I need to be broken, take the pain away
All the hate deep inside, slowly covering my eyes
All these things I hide way from you again
All this fear holding me, my heart is cold and I believe
Nothing's gonna change until I'm broken
'Cause I'm broken, I know, I need you now
Deep inside, I'm broken, you see the way I live
I know, I know, your heart is broken when I turn away
I need to be broken, take the pain away
Broken, broken, broken, broken, broken
