

# Take Me

Candie Payne

If you can't give your all  
Don't want what you've got to spare  
If you can't love me completely  
Well, I don't need you to care

If you can't give your heart  
Then I don't just want a piece of it  
If I can't have your love just freely  
What use is your pity to me?

Take me for life  
Don't just take what you need  
Always be mine  
A minute is no use to me

If you can't give your kisses  
Why should I shake your hand?  
If you can't give your soul to me  
Well, I don't need another friend
