

Mississippi

Dixie Chicks

The moon is full and my arms are empty
All night long I've pleaded and cried
You always said the day that you would leave
Would be a cold day in July Your bags are packed not a word is spoken
I guess we said everything with good-bye
Time moves so slow and promises get broken
On this cold day in July Sun's comin' up comin' down on Main Street
Children shout as they're running out to play
Head in my hands here I am
Standing in my bare feet
Watching you drive away
Watching you drive away You said that we were gonna last forever
You said our love would never die
It looks like spring and
It feels like sunny weather
But it's a cold day in July
