

My All (Morales "My" Club Mix)

Mariah Carey

I am thinking of you in my sleepless solitude tonight
If it's wrong to love you then my heart just won't let me be right
'Cause I'm drowned in you
And I won't pull through without you by my side

I'd give my all to have just one more night with you
I'd risk my life to feel your body next to mine
'Cause I can't go on living in the memory of our song
I'd give my all for your love tonight

Baby can you feel me imagining?
I'm looking in your eyes
I can see you clearly vividly emblazoned in my mind
And yet you're so far like a distant star I'm wishing on tonight

I'd give my all to have just one more night with you
I'd risk my life to feel your body next to mine
'Cause I can't go on living in the memory of our song
I'd give my all for your love tonight

Just one more night, just one more night, just one more night
Just one more night, just one more night, just one more night
Just one more night, just one more night, just one more night

I'd give my all to have just one more night with you
I'd risk my life to feel your body next to mine
'Cause I can't go on living in the memory of our song
I'd give my all for your love tonight

Just one more night, just one more night, just one more night
Just one more night, just one more night, just one more night
Just one more night, just one more night, just one more night
Just one more night, just one more night, just one more night

I'd give my all to have just one more night
Risk my life to feel your body, feel your body
Feel your body, feel your body, baby, babe
No, I can't go on living in the memory of our song
I'd give my all for your love tonight

I'd give my all, give my all, give my all
I'd risk my life, give my all, give my all
I'd give my all to love

Your body next to mine 'cause I can't go on
go on without your love
I'd give my all for your love

I'd give my all, I'd give my all
I'd give my all, I'd give my all
I'd give my all, I'd give my all
