

# Mr. Man (featuring Jimmy Cozier)

## Alicia Keys

Something about the way you smiled at me just drove me wild  
Wish I could know if you're alone, don't want to cramp your style  
But I cannot deny the feel that I feel when I look straight into your eyes  
Feel my heart beating fast for the challenge may you rise I wanna know if you feel the way I do, I do  
I wanna know if there's a chance for me and you, and you  
If there's no way, meet at the bar and say you can't, you can't  
'Cause I don't wanna be, I don't wanna be, I don't wanna be  
Unfair to Mister Man, unfair to Mister Man, unfair to Mister Man  
Unfair to Mister man, unfair Like the way you've given me attention through the night  
Maybe I've had too much for me, my man's right by my side  
Ev'ry time I catch you watching me, feel something down my spine  
I'll play the game, it's just for fun and only for tonight I wanna know what makes you feel the way you do, you  
do  
I think you're hoping there's a chance for me and you, yeah, you  
Should I meet you at the bar and say we can't, we can't?  
'Cause I don't wanna be, I don't wanna be, I don't wanna be  
Unfair to Mister Man, unfair to Mister Man, unfair to Mister Man  
Unfair to Mister man, unfair to Mister Man I know all you wanna know is answers  
'Cause you can give me what I need  
We both know that we're attracted  
Should we let our desires lead? I wanna know if you feel the way I do, I do  
I wanna know if there's a chance for me and you, and you  
If there's no way, meet at the bar and say you can't, you can't  
'Cause I don't wanna be, I don't wanna be, I don't wanna be  
Unfair to Mister Man I wanna know if you feel the way I do, I do  
I wanna know if there's a chance for me and you, and you  
If there's no way, meet at the bar and say you can't, you can't  
'Cause I don't wanna be, I don't wanna be, I don't wanna be  
Unfair I wanna know if you feel the way I do, I do  
I wanna know if there's a chance for me and you, and you  
If there's no way, meet at the bar and say you can't, you can't  
'Cause I don't wanna be, I don't wanna be, I don't wanna be  
Unfair to Mister Man
