

Family Reunion

George Benson

Girl

Ooh

Oh, baby Morning, noon, and night, I'm thinkin' about you

Things just ain't been right since you've been gone

'Til the end of time we've taken a vow to

Keep our family strong

But we were both tryin' to grow in our own direction

Soon the magic of two meant nothing at all So don't you think it's 'bout time (It's 'bout time)

We had a family reunion (Make things right)

Cause I'm losin' my mind (All my mind)

Without you here in my life (In my life) Tell me what you want, let's get it together

No more wastin' time on what we're not

You and I should love each other forever

Family means a lot

So baby, let's make a move, find a new beginning

Set your feelin' the same way I feel tonight Come on and give it a try (One more try)

Let's have a family reunion (Make things right)

Cause girl, it's a crime (It's a crime)

Not havin' you by my side (By my side) So don't you think it's 'bout time (It's 'bout time)

We had a family reunion (Make things right)

Because I'm losin' my mind (All my mind)

Without you here in my life (In my life) And now that we've been through everything, we don't have to worry

Let's put the pain of the past behind

And girl I promise you that love will always stay in our lives So don't you think it's 'bout time (It's 'bout time)

We had a family reunion (Make things right)

Because I'm losin' my mind (I'm losin' my mind, baby)

Without you here in my life (Here in my life) Come on and give it a try (Yeah, girl)

Let's have a family reunion (A family reunion)

You know it's a crime (You know it's a crime, baby)

Not havin' you by my side (I need you here by my side)

So don't you think it's 'bout time (It's 'bout time)

We had a family reunion (Make things right)

Let's get it together, baby

Let's get it together, baby

Together, together, together baby

Let's get it together, baby
