Baby Come Back

Lisa Stansfield

Spending all my nights, all my money going out of the town
Doing anything just to get you off of my mind
But when the morning comes and I"m back where I started again
Trying to forget you is just a waste of timeBaby, come back
Any kind of fool could see
There was something in everything about you
Baby, come back
You can blame it all on me
I was wrong and I just can't live without youAll day long wearing a mask of false bravado
Trying to keep up a smile that hides a tear
But as the sun goes down I get that empty feeling again
How I wish to God that you were hereBaby, come back
Any kind of fool could see
There was something in everything about you
Baby, come back
You can blame it all on me
I was wrong and I just can't live without youNow, that I've pulled it up all together
Give me the chance to make you see
Have you used up all the love in your heart
Is there nothing left for me, is there nothing left for me?Baby, come back
Any kind of fool could see
There was something in everything about you
Baby, come back
You can blame it all on me
