

In Plastic

Girl Band

He lives in a tent
It's silly quiet
It's out the back
And farts in it
He takes his time
To hurry up
Professionally sad
Math plus math
It equals Maths
A crooked dovetail
A necklace clasps
A lack of know ledge
He went to college
He got a nose ring
He liked a salad
And watching Jeremy Kyle
And no ones watching
It's about a family
Who met each other
At primal scream
