

The Calendar

The DÃ,

Only for you
Only for youThey said if you don't let it out
You're gonna let it eat you away
I'd rather be a cannibal, baby
Animals like me don't talk anywayFeel like an ambulance, chaser of fame
Pray I could replace her
Forget the way her tears taste
Oh, the way her tears tastePut another X on the calendar
Summer's on its deathbed
There is simply nothing worse
Than knowing how it endsAnd I meant
Everything I said that night
I will come back to life
But only for you, only for youThe world may call it a second chance
But when I came back it was more of a relapse
Anticipation is on the other line
And obsession called while you were out
Yeah, it called while you were outPut another X on the calendar
Summer's on its deathbed
There is simply nothing worse
Than knowing how it endsAnd I meant
Everything I said that night
I will come back to life
But only for you, only for youAsleep in the hive
I guess all the buzzing got to me
The rest of the life
At night your body is a symphony
And I'm conductingThey said if you don't let it out
You're gonna let it eat you awayPut another X on the calendar
Summer's on its deathbed
There is simply nothing worse
Than knowing how it endsAnd I meant
Everything I said that night
I will come back to life
But only for you, only for you
Only for you, only for youOnly for you
Only for you
Only for you
Only for you
