Well you know that it's going to be alright
I think it's gonna be alright
Everything will always be alright
When we go shoppingWell you know that it's going to be alright
When we go shopping
It's always la la la, shopping spree begin
La la la, everybody winsSo shut up
And never stop
Let's shop
Until' we dropWell you know that it's going to be alright
I think it's gonna be alright
Everything will always be alright
When we go shoppingIt's always la la la
Shopping never end
La la la, shopping with our friends
Shopping once againIt's always la la la
It's always la la la
It's always la la la
It's always la la laIt's never enough
Until' you've got all the stuff
When the going gets rough
Just shop with somebody toughWell you know that it's going to be alright
I think it's gonna be alright
Everything will always be alright
When we go shoppingWell you know that it's going to be alright
I think it's gonna be alright
Everything will always be alright
When we go shoppingIt's always la la la
When we go shopping
When we go shopping
When we go shoppingIt's always la la la
It's always la la la
It's always la la la
