Get Set

Taxiride

Ah, makin' the scene, I really mean
You could be there with me and make believe
I'll find a place for us to be alone
Here in the depths of our emotion
Don't you know, babyGet set everybody
(Get set)
We're on our way
(We're on our way)
To meet you
Too late everybody
(Too late)We're on our way
(We're on our way)
To nowhere
(To nowhere I will be)
And I will be thereKick out your seat, let's elevate
Hold on to what you know is gonna break
A roller coaster ride inside your mind
Is what you need to terrify you
Don't you know, babyGet set everybody
(Get set)
We're on our way
(We're on our way)
To meet you
Too late everybody
(Too late)We're on our way
(We're on our way)
To nowhere
(To nowhere I will be)
And I will be thereNever gets you too far
(Never gets you too far)
Never gets you too far now
And if you climb aboard there is nothing to itIf you concentrate we will see you through it
Don't forget at the end of the ride
You'll be hypnotized by the sound, it's too late, ahGet set everybody
(Get set)
We're on our way
(We're on our way)
To meet you
Too late everybody

(Too late)We're on our way
(We're on our way)
To nowhere
(To nowhere I will be)
I will be thereIf you want me to
(If you want me to)
If you want me to
