

The Gloaming

Radiohead

Genie let out of the bottle
It is now the witching hour
Genie let out of the bottle
It is now the witching hour Murderers, you're murderers
We are not the same as you
Genie let out of the bottle
Funny, ha ha, funny how? When the walls bend, when the walls bend
With your breathing, with your breathing
When the walls bend, when the walls bend
With your breathing, with your breathing
With your breathing They will suck you down to the other side
They will suck you down to the other side
They will suck you down to the other side
They will suck you down to the other side To the shadows blue and red, shadows blue and red
Your alarm bells, your alarm bells
Shadows blue and red, shadows blue and red
Your alarm bell, your alarm They should be ringing
They should be ringing
They should be ringing
They should be ringing They should be ringing
They should be ringing
They should be ringing
They should be ringing They should be ringing
They should be ringing
They should be ringing
They should be ringing
This is the gloaming
