# Back Again

## Flor

I won't be long
It's just for now
Oh, I'll come back here
When time allowsSave my name in your phone
I'll be fine, but I don't know
When I'll be back again, I'll be back again
Keep my love close to yours
We'll lay down again, once more
When I'll get back again
I get back again
And it's hard to live without
Your softest touch
Your burning mouth
Your burning mouthI don't want to be long
and it's so hard for you to ride along
So wait for me, and I'll be back again
Let me know if you feel a little lost
A little too real
and I'll come back again, I'll come back again
And I guess, I guess I never really thought it through enough
And I guess, I guess I never really thought it through enough
And I guess, I guess I never really thought it through enough
Thought it through enough
Thought it through
It hurts alone
but don't you worry
I'm coming home
I'm coming home.
