

# One Way To Go

## The Verve

Youve got to lift yourself up so high  
You cant see the ground  
You dont hear a sound  
Youve got to move it up so slow  
You see it all  
Youll probably fallId rather die than see you fly  
Than see you try  
Id rather die than see you fly  
Than see you tryIt's like pushing locked doors to get in your mind  
I don't care what I find  
It's like pushing locked doors to get in your mind  
I don't know what I'll findYou've got to move me up  
So high it hurts  
So high it burns  
But if you let me down  
Don't bother to call  
Just let me fallI'd rather die than see you fly  
Than see you try  
I'd rather die than see you fly  
Than see you tryIt's like pushing locked doors to get in your mind  
I don't know what I'll find  
It's like pushing locked doors to get in that mind  
I don't care what I findIt's like pushing locked doors to get in that mind  
I don't care what I find  
It's like pushing locked doors to get in that mind  
I don't care what I findIt's like pushing locked doors to get in that mind  
I don't care what I find  
It's like pushing locked doors to get in that mind  
I don't care what I findIt's like pushing locked doors to get in that mind  
I don't care what I findIt's only one  
One way to go  
One way to go  
One way to go  
One way to go
