Our God

Chris Tomlin

Water, You turned into wine
Opened the eyes of the blind
There's no one like You
None like YouInto the darkness, You shine
Out of the ashes we rise
There's no one like You
None like YouOur God is greater
Our God is stronger
God, You are higher than any other
Our God is healer
Awesome in power
Our God, our GodInto the darkness, You shine
Out of the ashes, we rise
There's no one like You
None like YouOur God is greater
Our God is stronger
God, You are higher than any other
Our God is healer
Awesome in power
Our God, our GodOur God is greater
Our God is stronger
God, You are higher than any other
Our God is healer
Awesome in power
Our God, our GodAnd if our God is for us
Then who could ever stop us
And if our God is with us
Then what could stand againstAnd if our God is for us
Then who could ever stop us
And if our God is with us
Then what could stand against
What could stand againstOur God is greater
Our God is stronger
God, You are higher than any other
Our God is healer
Awesome in power
Our God, our GodOur God is greater
Our God is stronger
God, You are higher than any other

Our God is healer
Awesome in power
Our God, our GodAnd if our God is for us
Then who could ever stop us
And if our God is with us
Then what could stand againstAnd if our God is for us
Then who could ever stop us
And if our God is with us
Then what could stand against
What could stand against
What could stand againstOur God is greater
Our God is stronger
God, You are higher than any other
Our God is healer
Awesome in power
Our God, our God
Our God is greater
Our God is stronger
God, You are higher than any other
Our God is healer
Awesome in power
Our God, our God
