

# New York State of Mind

Barbra Streisand

Well, some folks like to get away  
Take a holiday from the neighborhood  
Hop a flight to Miami beach or to Hollywood But I'm takin' a greyhound  
On the Hudson river line  
I'm in a New York state of mind I've seen all those movie stars  
And their fancy cars and their limousines  
I've been high in the rockies, under the evergreens oh oh But I know what I'm needin'  
And I don't want to waste more time  
I'm in a new york state of mind oh oh It was so easy livin' day by day  
Out of touch with the rhythm and blues (oh with the rhythm and blues)  
But now I need a little give and take (give and take)  
New York times (and the daily news), the daily news oh oh Comes down to reality  
And it's fine with me 'cause I've let it slide  
I don't care if it's Chinatown (or up on riverside) or up on riverside I don't have any reasons  
'Cause I left them all behind  
We're in a New York state of mind  
Get a New York state of mind It was so easy livin' day by day  
Out of touch with the rhythm and blues (with the rhythm and blues)  
But now I need a little give and take  
The New York times (the daily news) (helps you lose your blues) Comes down to reality  
And it's fine with me 'cause I've let it slide  
I don't care if it's Chinatown or up on riverside (or up on riverside) We don't have any reasons  
We've left them all behind  
I'm in a New York,  
I'm in a New York state of  
We're in a New York state of mind
