

# Fade to Blue

## .38 Special

Faded curtains, faded moon, through a broken sky  
Staring at a photograph, the ghost of you and I  
Those were times, yeah, those were good times that we shared  
We thought those nights would never endI should've seen it comin', runnin' with a fallen angel  
Livin' on a broken promise when the day is through  
Tryin' to make a life for us, I only knew it my way  
I'm just a shadow on the highway, fade to blue  
Fade to blueI hear you cryin' in your sleep, I can feel it 'cross the miles  
Love unspoken runs so deep like the tears behind your smile  
Those were times, yeah, those were hard times that we had  
I'd even take them back againShould've seen it comin', runnin' with a fallen angel  
Livin' on a broken promise when the day is through  
Oh, tryin' to make a life for us, I only knew it my way  
Another shadow on the highway, fade to blueI fade to, I fade to, I fade to blue  
I fade to, I fade to, I fade to blue  
Every night I fade to blue  
I fade to, I fade to, I fade to blue  
Every night I fade to blueThere'll be times, girl, there'll be good times on the way  
I'll always be comin' back againShould've seen it comin', runnin' with a fallen angel  
Livin' on a broken promise when the day is through  
Oh, tryin' to make a life for us, I only knew it my way  
Another shadow on the highway, I fade to blueOh, I fade to blue  
I fade to blue  
Fade to blue  
Fade to blue  
Fade to blue
