

# Whatcha U Gon Do

Jasmine Trias

Baby I've been watchin' you  
Watchin' me since I walked in  
I'm thinkin' you're thinkin' that I'm lookin' right. Yea  
I must admit that I'm feelin' the very same way you do  
Baby you're lookin' kinda tight Yea.  
There ain't no light to fight  
We bold (both-hold) each other tight  
Boy I got whatcha like  
And you know I think you're fly  
You're feelin' me and I'm feelin' you  
Got me smilin' so that's your cue  
Now what chu wanna do?

'cause you know I'm feelin' you (Whatchu gon' do now)  
Tell me (Whatchu gon' do now)  
Let me know what you wanna do (Whatchu gon' do now)  
Gotta holla and just let me know wassup yea  
'cause you know I'm feelin' you (Whatchu gon' do now)  
Baby (Whatchu gon' do now)  
Just leave your boo and make your move (Whatchu gon' do now)  
Are you gon' make a move?  
Whatchu gon' do?
