

Great Love He Gave

Talleys

On a hill outside of Jerusalem
On a hill Jesus died for me
On a hill outside of Jerusalem
What love it took
To set me free
Great love He gave to me

In a borrowed tomb, they laid Him
In a tomb Jesus lay for me
In a borrowed tomb they laid him
What love it took to set me free
Great Love He gave to me

Jesus, Jesus
Great Love He gave to me
Jesus, Jesus
Great love He gave to me

Spoken
That really was some kind of Love
An innocent man died a criminalâ€™s death
But even death would never contain this kind of love

Sung
From a grave, in power, he rose again
From a grave Jesus rose for me
From a grave, in power, He rose again
What love it took to set me free
Great love he gave to me

He arose, He arose
Halleluiah Christ arose
He arose

Jesus, Jesus
Great love He gave to me
Oh Jesus Jesus
What love it took to set me free,
Great love he gave to me
