

# Shelf

## Jonas Brothers

She's such a flirt and I am the lonely heart  
Give it a chance for our love to start  
But you'll never see if you don't give me a shot  
To show you what I've got But it's too late to pretend  
You know me better than I know myself  
Don't take my heart and put it on a shelf Always someone else  
The next guy who will make your cold heart melt  
I'm gonna give my love to someone else I held your hand, it felt like a movie  
I made some plans but you were already moving on now  
I'm stuck under a rainy cloud but you don't seem to care But it's alright 'cause it's too late to pretend  
You know me better than I know myself  
Don't take my heart and put it on a shelf, yeah Always someone else  
The next guy who will make your cold heart melt  
I'm gonna give my love to someone else I'm tired of wasting all my time  
My heart is hanging on the line  
Is it me girl or someone else?  
If you sweep it off the shelf Too late to pretend  
You know me better than I know myself  
Don't take my heart and put it on a shelf Everybody!  
Always someone else  
The next guy who will make your cold heart melt  
I'm gonna give my love to someone else, yeah
