

# Move Bitch

## Lil Jon & The East Side Boyz

Move bitch, get out the way  
Get out the way bitch, get out the way  
Move bitch, get out the way  
Get out the way bitch, get out the way  
Move bitch, get out the way  
Get out the way bitch, get out the way  
Move bitch, get out the way  
Get out the way bitch, get out the way Oh no! the fight's out  
I'm about to punch yo, lights out  
Get the fuck back, guard ya grill  
There's somethin' wrong, we can't stay still  
I've been drinkin' and buzzin' too  
And I been thankin' of bustin' you  
Upside ya motherfuckin' forehead  
And if your friends jump in  
"Oh girl", they'll be more dead Causin' confusion, disturbin' tha peace  
Its not an illusion, we runnin' the streets  
So bye-bye to all you groupies and gold diggers  
Is there a bumper on your ass? No nigga  
I'm doin' a hundred on the highway  
So if you do the speed limit, get the fuck outta my way  
I'm DUI, hardly ever caught sober  
And you about to get ran the fuck over Move bitch, get out the way  
Get out the way bitch, get out the way  
Move bitch, get out the way  
Get out the way bitch, get out the way  
Move bitch, get out the way  
Get out the way bitch, get out the way  
Move bitch, get out the way  
Get out the way bitch, get out the way Here I come, here I go  
Uh oh! Don't jump bitch, move  
You see them headlights? You hear that fuckin' crowd?  
Start that goddamn show, I'm comin' through  
Hit the stage, knock the curtains down  
I fuck the crowd up, that's what I do  
Young and successful, a sex symbol  
The bitches want me to fuck them, true true Hold up, wait up, shorty  
"Oh what's up? Get my dick sucked, what are you doin'?"  
Sidelinin' my fuckin' business

Tryin to get my paper, child support suin'  
Give me that truck and take that rental back  
Who bought these fuckin' TV's and jewelry bitch, tell me that?  
No, I ain't bitter, I don't give a fuck  
But I'm a tell you like this bitch  
You better not walk in front of my tour bus  
Move bitch, get out the way  
Get out the way bitch, get out the way  
Move bitch, get out the way  
Get out the way bitch, get out the way  
Move bitch, get out the way  
Get out the way bitch, get out the way  
Move bitch, get out the way  
Get out the way bitch, get out the way  
2-0, I'm on the right track  
Beef, got the right mack  
Hit the trunk, grab the pump, punk I'll be right back  
We buyin' bars out, showin' scars out  
We heard there's hoes out, so we brought the cars out  
Grab the peels 'cuz we robbin' tonight  
Beat the shit outta of security for stompin' the fight  
I got a fifth of the Remy, fuck the Belve and Cris  
I'm sellin' shit up in the club like I work in the bitch  
Fuck the dress codes, it's street clothes, we all street niggaz  
We on the dance floor, throwin' bows, beatin' up niggaz  
I'm from the DEC, tryin' ta to disrespect DTP  
And watch the bottles start flyin' from the VIP  
Fuck this rap shit, we clap bitch, two in ya body  
Grab ya four, start a fight dog, ruin the party  
So move bitch, get out the way hoe  
All you faggot motherfuckers make way for 2-0  
So Move bitch, get out the way  
Get out the way bitch, get out the way  
Move bitch, get out the way  
Get out the way bitch, get out the way  
Move bitch, get out the way  
Get out the way bitch, get out the way  
Move bitch, get out the way  
Get out the way bitch, get out the way
