I'm On Fire

Nico Vega

Watch this freaky dance I've learned Let me move like it's my turn 'Cause I'm on fire, woah-oh-oh

And I'm a trier, woah-oh-oh-ohI'm caught like a chicken on wire

And you stomp me out like a bag on fire

oh oh-oh oh oh

'Cause I'm on fire like a red-headed step childLast time you forgot my name

And you still get it wrong but I don't complain

oh oh-oh oh oh

I'm on fire like a red-headed step childWatch this freaky dance I've learned

Let me move like it's my turn

'Cause I'm on fire, woah-oh-oh

And I'm a trier, woah-oh-oh-ohTake me out and let me know

If you don't like me then let me go

All my cards are on the deck

What you see is what you getI can't let you bring me down

I got sixteen candles and a pretty gown

Everybody knows that you like to dance

You got sixteen seconds 'til you blow the chanceWatch this freaky dance I've learned

Let me move like it's my turn

'Cause I'm on fire, woah-oh-oh

And I'm a trier, woah-oh-ohI blaze around

I blaze around

I blaze around

I paint it goldI blaze around

I paint it goldWatch this freaky dance I've learned

Let me move like it's my turn

'Cause I'm on fire, woah-oh-oh

And I'm a trier, woah-oh-oh'Cause I'm on fire, woah-oh-oh

And I'm a trier, woah-oh-oh-Oh-Cause I'm on fire, woah-oh-oh

And I'm a trier, woah-oh-oh-Cause I'm on fire, woah-oh-oh

And I'm a trier, woah-oh-oh-Cause I'm on fire, woah-oh-oh

And I'm a trier, woah-oh-oh-Cause I'm on fire, woah-oh-oh

And I'm a trier, woah-oh-oh
