

# Times Like These

Jack Johnson

In times like these, in times like those  
What will be will be, so it goes  
And it always goes on and on and on and on and on  
On and on and on and on and on and on it goes Mmh, mmh, mmh (3x) And there's always been laughin', cryin', birth  
and dyin'  
Boys and girls with hearts that take and give and break  
And heal and grow and recreate and raise and nurture  
But then her But times, times like these, in times like those  
What will be will be and so it goes And there will always be stop and go  
And fast and slow, action, reaction  
Sticks and stones and broken bones  
Those for peace and those for war  
And God bless these ones not those ones But these ones make times like these and times like those  
What will be will be and so it goes  
And it always goes on and on and on and on and on  
On and on and on and on and on and on it goes Mmh, mmh, mmh (3x) Somehow I know it won't be the same  
Somehow I know never be the same
