

# Californian Hills

[Ty Segall](#)

I miss the candy queens  
I met the court, they're so mean  
Sound the Dionysus bell  
Send them all back to hell American nightmare  
Guilty generation  
Fingers on the pulse of their parents' alienation  
From the history, histories of Western civilization  
Ah The gift of affluent life  
Was wasted on the fickle wife  
Who slept in Californian news  
And gave herself the sleeping pills  
And waits for the dollar bills  
The papers say we're going to hell
