

# Bet That Up (feat. Kevin Gates & Snootie Wild)

[Boldy James](#)

Advisory - the following lyrics contain explicit language:

Say you be thuggin shit me too  
Tell me something new, knew them niggas wasn't 100  
Cause all they love to do is brag and boast  
About who out here running through the bag the most  
What kinda strap they tote, and how they cut, but we know that's a joke
