PaperDoll

the MISHAP CREW!!

i look at her in that paper dress.
i wonder why she won't burn.
she's just a paper doll,
thats all,
just a paper doll.

i dress her up
she knocks me down
i dress her up
she knocks me down

they try her on for size
she fits, nice.
one size fits all
they try her on for size
she fits nice
one size fits all

now her soul is dead
now her bodies raw
you can numb her pain

watch the blood run down her face.
but dont take notice.
watch the blood run down her arms.
please don't take notice.

i know you have her soul.
and i see it in your eyes.
she knows you have her soul.
and she sees it in your eyes.

now her soul is dead
now her bodies raw
wash away her pain

she wants you to eat her pain.
she wants you to eat her remains
she wants you to eat her pain
she wants you to eat her remains
