

The Heartless

PVRIS

Your doubts of me are constant reminders
Of why I should stop hoping
It's hard to dream with eyes stitched open
I can feel them pull me under
They can take my sights but they can't take meThey pull me under every night
They're always waiting for me and I know it
And they sing together
Put your heart to your eyes and you'll find,
yeah, you'll find, what you're looking forI can feel feel them pull me under
Taking my sights but you can't take meThey pull me under every night
They're always waiting for me and I know it
And they sing together
Put your heart to your eyes and you'll find,
yeah, you'll find, what you're looking forKeep your eyes off the door
And I won't let them pull you underKeep your eyes on me
I won't let them pull you underKeep your eyes on meThey pull me under every night
They're always waiting for me and I know it
And they sing together
Put your heart to your eyes and you'll find,
yeah, you'll find, what you're looking for
