

Saucer'n'cup

[Eric Bibb](#)

She likes her coffee and I got to have me tea.
Now I don't try to change her she don't try to change me, Ever since we met, every-things looking up.
We go together, like a saucer and cup She's like the sunshine after weeks of rain,
her loving disposition is sweet as sugar cane. Ever since we met, everything is new,
We go together, like the grass and the morning dew. She's all I ever wanted in a woman and a pal,
it's nothing less that destiny, she was born to be my girl Ever since we met, everything is grand.
You know you're lucky and a satisfied man She likes her coffee and I got to have my tea,
now I don't try to change her and she don't try to change me.
Ever since we met, every-things looking up
We go together, like a saucer and cup
We go together like a saucer and cup
