

Freak of Nature

[Sinistar](#)

Talking about payback
The pussy motherfuckers
Try to talk that shit
Fuck that Talking about the way back
When everybody used to try to talk back
They ain't got jack Yeah
If you wanna fuck with this
You wanna fuck with this? You gotta make a fist
If you even wanna fuck with this
And by the fuckin' way I don't mistake your predictions
For anything but motherfuckin' fiction
There will be friction It's your deviant nature
Go where it takes you
Do what it makes you Yeah, and if you think I even care about your fuckin' ass
To move that shit you gotta find me
When you get done with that
You better mind me, get behind me It's your deviant nature
Go where it takes you
Do what it makes you
You're a freak of nature
