

# Gotta Get It Dancer

## Flo Rida

Do you wanna dance for me? Dance for me  
Gotta get that money-oney  
Do you wanna dance for me? Dance for me  
Gotta get that money-oney She's a nasty dancer, dancin' for money  
Do what you wanna do  
(Gotta get that money-oney)  
She's a freaky dancer, dancin', she loves it  
Do what you gotta do  
(Gotta get that money-oney) Nasty dancer, dancin' for money  
Do what you wanna do  
(Gotta get that money-oney)  
She's a freaky dancer, dancin', she loves it  
Do what you gotta do  
(Gotta get that money-oney) Hey, I want a, want a nasty girl  
All about the party, not a backseat girl  
Upfront with it, bigger than a track meet girl  
First number saved in my Blackberry Pearl Call up shawty, showin' out for the world  
Get it down, center stage, all the freaks want her  
Money in the waist, singin', finna get served  
Don't trip, give it to 'em, I'ma let you feel her curves Take off her clothes, get loose for that dough  
So rockin' juice, abusin' that Mo  
Trill off the Goose, she droppin' and reload  
Never no excuse for this girl when it's freak mode Yep, she's the real deal, yep, give her dollar bills  
Yep, on the holla tip, yep, shawty outta here  
Yep, got a lotta hips, yep, with the model lips  
And she gotta get that money She's nasty dancer, dancin' for money  
Do what you wanna do  
(Gotta get that money-oney)  
She's freaky dancer, dancin', she loves it  
Do what you gotta do  
(Gotta get that money-oney) She's nasty dancer, dancin' for money  
Do what you wanna do  
(Gotta get that money-oney)  
She's a freaky dancer, dancin', she loves it  
Do what you gotta do Hey, shawty sweatin' out, do it, let me check it out  
Uncut, raw, so we never have to edit out  
Pockets on swole, so I never gotta go  
Got a lotta bankroll, so the gwop in control Like I got bees, I be feelin' on you  
Can my dawg get a dance for his birthday, boo?

I know I got the cash that you're lookin' for too  
For the best Louis bag or the Jimmy Choo shoes Oh, not a problem, I can solve 'em  
Sexy situation, get it to the bottom  
Givin' you enough attention, run up into stardom  
Hop up in the Lac, give you cover in Escada That's the nasty stuff that I need  
Girl, do your thing, the money, it don't breathe  
Dead presidents will come up with a striptease  
I know you gotta get that money She's a nasty dancer, dancin' for money  
Do what you wanna do  
(Gotta get that money-oney)  
She's a freaky dancer, dancin', she loves it  
Do what you gotta do  
(Gotta get that money-oney) She's a nasty dancer, dancin' for money  
Do what you wanna do  
(Gotta get that money-oney)  
She's a freaky dancer, dancin', she loves it  
Do what you gotta do  
(Hey shawty, get that money ) Shawty gotta get that money  
(That money)  
Shawty gotta have that money  
(That money) Shawty gotta get that money  
(That money)  
Shawty gotta have that money  
(That money) Shawty, f-f-freak it, f-f-freak it, f-f-freak it, freak it  
Shawty, n-n-nasty, n-n-nasty, n-n-nasty She's a nasty dancer, dancin' for money  
Do what you wanna do  
(Gotta get that money-oney)  
She's a freaky dancer, dancin' ,she loves it  
Do what you gotta do  
(Gotta get that money-oney) She's a nasty dancer, dancin' for money  
Do what you wanna do  
(Gotta get that money-oney)  
She's a freaky dancer, dancin', she loves it  
Do what you gotta do Dance for me, dance for me  
Do you wanna dance for me? Dance for me
