## Work Drugs

Excuse me  
But I just have to  
Explode  
Explode this body  
Off me

Woo-ooh  
Ooooooh [Repeat x4]

I'll be brand new  
Brand new tomorrow  
A little bit tired  
But brand new

OOooooh! [Repeat x3]  
Aaaaah! [Repeat x13]  
Aaaaaah!  
Woaahh!!!
