

# God of Calvary (feat. Chris Tomlin)

## Passion

On the hill of Calvary  
The Light of all the world  
With the world on His shouldersThe weight of all our shame  
On Him who knew no sin  
A Holy surrender  
The sky went dark  
The Angels wept  
The Father looked awayThe final breath  
He bowed His head  
The lamb of God was slainBy His wounds I am set free  
By His blood I've been redeemed  
The great divide He crossed for me  
Oh, praise the God of CalvaryOn the hill of Calvary  
Into the Father's hands  
A Holy surrenderA borrowed tomb  
His mother wept  
And there His body layThe stone was moved  
He conquered death  
And rose from the graveBy His wounds I am set free  
By His blood I've been redeemed  
The great divide He crossed for me  
Oh, praise the God of CalvaryAnd if I never  
Never lose sight of this place  
I will never  
Never lose sight of Your graceThe Cross is all  
All I need to see  
Oh, praise the God of CalvaryThe Cross is all  
All I need to see  
Oh, praise the God of CalvaryBy Your wounds I am set free  
By Your blood I've been redeemed  
The great divide You crossed for me  
Oh, praise the God of CalvaryYour Cross is all  
All I need to see  
Oh, praise the God of Calvary
