

# End of a Century (Zoe Ball XFM Session)

## Blur

She says, "There's ants in the carpet"  
The dirty little monsters, eating all the morsels  
Just pickin' up the rubbish  
Give her effervescence, she needs a little sparkle  
Good morning TV, you're looking so healthy  
We all say, "Don't want to be alone"  
We wear the same clothes 'cause we feel the same  
Kiss with dry lips, when we say goodnight  
End of a century, oh it's nothin' special  
Sex on the TV, everybody's at it  
And the mind gets dirty as you get closer to thirty  
Gives her a cuddle, and they're glowing in a huddle  
Good night TV, you're all made up  
And you're looking like me  
We all say, "Don't want to be alone"  
We wear the same clothes 'cause we feel the same  
Kiss with dry lips, when we say goodnight  
End of a century, oh it's nothin' special  
Can you eat her?  
Yes you can  
We all say, "Don't want to be alone"  
We wear the same clothes 'cause we feel the same  
Kiss with dry lips, when we say goodnight  
End of a century, oh it's nothing special  
We all say, "We want to be alone"  
We wear the same clothes 'cause we feel the same  
Kiss with dry lips, when we say goodnight  
End of a century, oh it's nothing special  
Oh end of a century, oh it's nothing special
