

# Who Am I?

[Khalid Belhouzi](#)

Over time You've healed so much in me and I am living proof  
That although my darkest hour had come  
Your light could still shine through  
Though at times it's just enough to cast a shadow on the wall  
Well I am grateful that You shine a light on me at all  
Who am I that You would love me so gently  
Who am I that You would recognize my name  
Lord, who am I that You would speak to me so softly  
Conversation with the love most high, who am I?  
Amazing grace how sweet the sound that saved a wretch like me  
I once was lost but now I'm found, was blind but now I see  
And the more I sing that sweet old song, the more I understand  
That I do not comprehend this love that's coming from Your hand  
Who am I that You would love me so gently  
Who am I that You would recognize my name  
Who am I that You would speak to me so softly  
Conversation with the love most high, who am I?  
Grace, grace God's grace  
Grace that will pardon and cleanse within  
Grace, grace, God's great grace  
Grace that is greater than all my sin  
Who am I that You would love me so gently  
Who am I that You would recognize my name  
Lord, who am I that You would speak to me so softly  
Conversation with the love most high, who am I?  
Lord, who am I? Who am I? Who am I?
