Easy Way Out

The Nearly Deads

You really set me off.
You don't believe in this.
You don't believe in me.
Don't think you ever did.
Looks like you're giving up.You didn't have the trust.
You couldn't keep the faith,
No, you weren't true enough.
And if your heart isn't in this I don't care.
If your heart isn't with me I don't care.Say you want this bad enough,
But there's no easy way, no easy way out.
Sorry this isn't what you thought.
But there's no easy way, no easy way out.
No, no. You're turning out the lights.Just need to get some sleep.
But we've been staying up all night, all night.
Just wanna live our lives,
Just wanna have some fun.You couldn't hang with us,
No, you couldn't hang with us.
And if your heart isn't in this I don't care, I don't care.
If your heart isn't with me I don't care, oh...CHORUS
Say this isn't what you want.
Say this isn't what you want! Oh...CHORUS
You really set me off.
You don't believe in this.
You don't believe in me.
Don't think you ever did.
