Bubbles In My Beer

Hank Thompson

Tonight in a bar alone I'm sitting
Apart from the laughter and the cheer
While scenes from the past rise before me
I'm watching the bubbles in my beerA vision of someone who loved me
Brings a lone silent tear to my eye
And I know that my life's been a failure
Just watching the bubbles in my beerI'm seeing the road that I've traveled
A road paved with heartaches and tears
And I'm seeing the past that I've wasted
While watching the bubbles in my beerAs I think of the heart that I've broken
And the golden chances that have passed me by
The dreams that I had now are empty
As empty as the bubbles in my beer
