Fade Out

Seether

Fade out like a photograph
Just a memory to forget
You burn black like a cigarette
Ill discard you when Im done
You break down when you need the rest
What a selfish way to drown
Then lay down with the thief you met
And enjoy the pride youve won
So let loose those tears, darling
Cause Ill turn my back
So tell me the story
How you lose this all Im guessin
But dont tell me youre sorry
Im through with it all
And I wont be back again
Im burnt out on your etiquette
How you caponize the son
Then lie down with another one
As you canonize yourself
So let loose those tears, darling
Cause Ill turn my back
So tell me the story
How you lose this all Im guessin
But dont tell me youre sorry
Im through with it all
And I wont be back again
Youre breaking all the rules
And killing all my self-esteem thats left
You take me for a fool
Youre killing all my self-esteem thats left
So tell me the story
How you lose this all Im guessin
Youre looking so worried
Can you feel it come undone?
Such a pitiful story
But I finally learned my lesson
Dont tell me youre sorry
I am through with it all
And I wont be back again
