

# Fade Out

## Seether

Fade out like a photograph  
Just a memory to forget  
You burn black like a cigarette  
Ill discard you when Im done  
You break down when you need the rest  
What a selfish way to drown  
Then lay down with the thief you met  
And enjoy the pride youve won  
So let loose those tears, darling  
Cause Ill turn my back  
So tell me the story  
How you lose this all Im guessin  
But dont tell me youre sorry  
Im through with it all  
And I wont be back again  
Im burnt out on your etiquette  
How you caponize the son  
Then lie down with another one  
As you canonize yourself  
So let loose those tears, darling  
Cause Ill turn my back  
So tell me the story  
How you lose this all Im guessin  
But dont tell me youre sorry  
Im through with it all  
And I wont be back again  
Youre breaking all the rules  
And killing all my self-esteem thats left  
You take me for a fool  
Youre killing all my self-esteem thats left  
So tell me the story  
How you lose this all Im guessin  
Youre looking so worried  
Can you feel it come undone?  
Such a pitiful story  
But I finally learned my lesson  
Dont tell me youre sorry  
I am through with it all  
And I wont be back again
