

Young Girl (Re-Recorded)

Gary Puckett & The Union Gap

Young girl, get out of my mind
My love for you is way out of line
 Better run girl
You're much too young girlWith all the charms of a woman
 You've kept the secret of your youth
 You led me to believe you're old enough
 To give me love
And now it hurts to know the truthYoung girl, get out of my mind
 My love for you is way out of line
 Better run girl
You're much too young girlBeneath your perfume and your make-up
 You're just a baby in disguise
 And though you know that it's wrong to be
 Alone with me
That come on look is in your eyesYoung girl, get out my mind
 My love for you is way out of line
 Better run girl
You're much too young girlSo hurry home to your mama
 I'm sure she wonders where you are
 Get out of here
 Before I have the time
 To change my mind
'Cause I'm afraid we'll go too farYoung girl, get out my mind
 My love for you is way out of line
 Better run girl
You're much too young girl (repeat to fade)
